We met James at a restaurant and took him home with us.

James, Erick and I leisurely walk home hand in hand. When we get home, James says “Why don’t we all relax in the living room for a while and watch a film?” Erick and I agree saying “Sounds like a great idea.” When we arrive home Erick gets a bottle of white wine and three glasses while James and I scroll thru the streaming service menu on the TV. Erick joins us and pours the wine and we get comfy on the sofa, me in the middle with the guys on either side. We begin watching the film sipping our wine, my glass not getting empty as Erick keeps topping it off.

We finally agree on a superhero movie when part way through the film I feel James hand caressing my leg, slowly moving under my dress onto my thigh, towards my panties. He softly kisses my neck, whispering naughty things in my ear about how much he wants to fuck me. At this point Erick appears to be unaware what James is doing as he’s engrossed in the film. I then lift my butt as I feel James tugging my panties. Erick then looks seeing my pink panties around my knees and James says “Look at that large wet patch on the front those panties Erick, she’s a naughty girl isn’t she?”

I giggle as Erick replies saying “Yes she is, I see.” James and I kiss passionately as I open my legs wider and his fingers find my clit and he smacks it saying ‘naughty girl’ then begins rubbing it while my hand finds a bulge in his trousers and squeeze it before trying to undo his them. James takes over tugging his trousers and boxers down and his big cock springs out and my hand instantly grabs hold of it and I start to stroke him as we continue to kiss.

After a while James asks “Would you get down on the floor and kneel in front of me. You know what I want you to do, don’t you?” I do as he says, my panties falling to my ankles as I kneel in front of him taking hold of his hard cock. I rub it in my hand some more and lean forward licking the end and clamp my lips around his big fat cock and suck hard. My head starts to bob up and down as I slide my lips along his shaft, gagging and drooling as I deep throat him. Looking up at James and Erick watching me. James says “You’re the best at sucking cock, it feels awesome but don’t forget about my balls.” I take his cock out my mouth panting for breath then move a little lower and kiss, lick and suck on his big heavy balls as he rubs his cock over my face.

I move back up and continue sucking his cock, caressing his balls with my hands. After a while he asks me to stand up and strip for them but keep my heels and stockings on. So I do as he says getting to my feet, stepping out my panties and doing a little dance as I undo my dress letting it fall to the floor then removing my bra. James removes his shirt while still sitting on the sofa and pats his legs saying "Come and sit here gorgeous." As I walk towards James his arm comes around me pulling me close to his chest hovering over his big stiff cock and he guides his cock in me as I slide down on him gasping and looking at Erick saying "OMFG It feels good, I love his big hard cock in me".

I face James again and we kiss as I sit down on him and grind a little. Pausing from kissing, James says to Erick "I love how your wife's pussy squeezes my cock, look how she's stretched around that thing." I begin to rise up and down on James as Erick watches us fuck getting his own cock out. He starts to stroke himself. James tells him to cum in her panties and we see him pick them up, wrapping them around his cock, furiously jerking and soon he's cumming in them.

The movie on the TV finally finishes and James places his hands under my butt and stands up. I wrap my arms and legs around him holding on tight to each other, his cock still deep in me. He says "Lets go upstairs" and carries me out of the living room, up the stairs, and into the bedroom bouncing me on his cock a little as he walks. He sits us on the bedroom chair by the balcony doors and I continue to bounce on him as he plays with my tits and I say "Oohhh, it's so, so good, I'm going to cum".

At that moment Erick wanders in the bedroom looking at us and goes to close the balcony door blinds but James says "Don't close the blinds, in fact open the balcony doors wide please and, then to me, don't

cum yet gorgeous." Rather reluctantly Erick does as James says as we feel the cool air come in the bedroom. I continue to bounce, moaning and panting on James' big fat cock, getting so close to cumming. James stops me, puts his hands under my butt again and we stand up, holding onto each other tightly.

James carefully walks us out onto the balcony and he leans his butt back against the balcony rail so anyone on the beach can see us fucking. "It's a shame the beach is quiet but at least we can admire the view," he says. I moan a 'Yesssss' as I continue bouncing again enjoying the risk of someone seeing us, getting so very close to cumming. Soon I'm moaning out loud "I'm cummmmming" and scream out loud as James holds me down tightly on his big cock as I shake and shudder, cumming so very hard.

As I recover James helps me off him, we both stand up and James reclines a chair so it's almost flat like a bed and says "Get up on the chair on all fours, head

down, butt up." I do as he says getting as comfy as I can facing the beach. James moves behind me watching and spanks my butt saying "Get your butt higher, show me your pussy and asshole." So I lower my head more trying to push my ass higher. James caresses my ass and rubs his cock head over my clit and up to my asshole then back to my pussy, inserting the head

of his cock and fingering my anus saying "Ready to get fucked hard again gorgeous?" I reply saying "Ohh yeah, please fuck me hard, babe."

He fingers my aasshole a little more, then thrusts his big cock all the way into my pussy with one big thrust making me scream. He tugs my head back to kiss me as he grinds deep in me making me moan in pleasure before starting to thrust back and forth gradually getting faster and faster, harder and harder.

I hold onto the balcony railing as he pounds me so hard my boobs swinging about as he continues to tug my hair like reins and spank my butt. I moan out loud "OMG babe, yesss, yess, fuck me." He continue to pound me hard, over and over as we both getting close to cumming. He soon says "Here it comes" and he holds deep in me as I feel his cock explode shooting stream after stream of hot cum deep in me filling me up with a huge load making me orgasm again at the same time. He stays deep in me as we both pant so much catching our breath – watching the sun set. I look to our right and notice through the railings someone walking on the beach and say "OMG, there's someone down there on beach, how long have they been there? Did they see us? We better go inside!!" I was panicking a little being out there for so long.

James, still inside me, pulls me up against him, holding my hands behind my back and says, "We're not going anywhere. It looks like Wayne from the restaurant we were just at. Why don't you let him see your big tits. Hhe couldn't take his eyes off them earlier in the restaurant." As he walks past at a distance, he waves and James waves back, and then caresses my boobs saying "Bet this is what Wayne wants to do, and a whole bunch more." and we both giggle.

We soon get up and walk indoors, through the bedroom and into the bathroom, and James runs us a bath with lots of bubbles as I undo my heels and remove them and my stockings. When its ready James gets it then helps me in, he sits down then I sit between his legs and lean back against his chest and we relax, cuddle and wash, chit chatting about various

things. After quite a while we get out and dry. I put on some new panties as James gets fully dressed. Unfortunately he's got to leave to go home to get ready to go to work tomorrow but tells me he will see me again very soon. While James packs his other things, I check my phone and see I've a text from Wayne saying "Hello beautiful. I can visit next weekend for a drink, if that's convenient for you. I loved the show you both put on earlier on your balcony! You're absolutely stunning! Best regards, Wayne."

I show James the text and we giggle saying we'll reply later. We both go downstairs and James packs his things into his car, says bye to Erick telling him to look after me well. James and I then kiss long and passionate saying we'll video chat on the phone later and arrange to see each other very soon. I wave goodbye to him as he leaves. Missing him already!!

## A NATURAL GIRL NEXT DOOR

Danica looks like that good American girl next door we all wish we knew. She's shy, nice and pretty with an unshaven pussy that she likes to take good care of. She has one of the greatest sets of all-natural breasts on a girl. Not too big, not too small. A perfect natural handful; just right. Oh, and she also has a great enthusiasm for intense sex.

# a different kind of three-way

## how can two people have a three-way?

Babette used to have a couple of dildoes but when we had moved house they got misplaced, or as she said, they really never got used so what were we missing. We hadn't had sex in a while either but one day just after dinner Babette said "Honey I have something to tell you." I ask her 'what is it,' with Babette continuing "Well you know we haven't done it in a while. I thought that I'd pick up a new dildo, maybe we could have a little fun when it arrives. I was looking out for the mail every day. I had't noticed any packages arrive, and Babette hadn't mentioned anything for over a week and a half.

After work a couple of Fridays after Babette had broached the subject, I asked if they had gone missing. Babette had a little smile on her face, "I was wondering when you were going to ask. The packages arrived on Tuesday but I was waiting on showing you, I hope you don't mind." I told her not in the least. I'd been hoping that we could spend a Friday night playing, as there was no work the next day. Babette said for me to get undressed and lie on the bed while she got ready.

I did so and was ready and waiting for her when she walked in

in a skimpy bikini that she had previously refused to wear, and a pair of fuck me heels. Babette remained in the doorway, saying "I want to put on a hot show for you and because I know you want to fuck me bad. I'm going to need to restrain you to relax for few minutes, do you mind?" Babette walks over to me, "You want to see me put on a show don't you?" Babette says. "Sure honey," I reply. Babette takes my hands, leads me to the bed, and sits me up against the bed head. Then she goes down to suck on my cock, making it glisten, sliding her tongue around the tip. She then spreads my legs and begins tonguing and fondling my balls as she continues to suck on my cock.

Now Babette moves off the bed, stands up by it, and pulls on her sexy outfit. "It's so tiny and almost see through it would be like going naked on the beach. It's a good thing I've been shaving since we last went away." she says. Babette runs her fingers through the tiny waist strap of the bikini bottoms pulling them tighter before letting them fall to the floor. "Imagine all the men looking at my naked body. Oh I'd better take the top off as well to show you."

"Do you like how I look, my big tits for everyone to see. You need

to have a closer look at my shaved pussy don't you, you've never seen it like this before?" Babette is now up on the bed straddling my face. "Do you want to eat it, honey?"

"Yes!" I say. Babette then slips two fingers into her pussy saying "I bet you would, I bet you'd like to fuck it as well."

"Oh, Babette, yes." I say. Babette now turns around to show me from behind. Her big hips form a huge bud, ripe for licking. "You want it on your tongue don't you?" Babette purrs. Babette places a foot on the mattress edge exposing her pussy completely. She looks down at it as she lowers her hips and clit onto my waiting tongue. "Lick it from the front to the back." she says. I do, starting with her clit and going all the way to the back edge of her pussy.

"That's good, honey," Babette purrs at me. "I know how much you want to fuck me right now from looking at your cock. Now lick all the way back." she demands. I go a little further, but Babette says that the men on the beach would lick it for her. In fact, I know they would. I lick all the way back to her ass and as I reach it, she tells me to stay there because it feels so good. "It's too long since I've had my ass licked like that." she whines.

She hasn't moved her ass from my tongue and now she leans over to the bedside nightstand. "Honey, they sent me this," Babette presenting a sizable dildo. It's bigger than the white one I had before. She now moves away from me a few inches and slides the dildo across her wet parted lips.

"What if some of the men on the beach had a nice big cock like this!" Babette slides it slowly back and forth into her pussy. "Oh honey, this feels as good as it did on Tuesday."

I say, "You tried it without me?" Babette replies "Well I just was waiting so long. Does watching me turn you on, honey?"

I respond quickly, "Yes baby, can I lick you again?" Babette lowers herself back onto

my face as she fucks her glistening pussy with the dildo. I lick her ass as before. Babette moans in appreciation, "You're such a good lover," she whispers loudly. Now holding the dildo inside her with two fingers, she rubs her clit with her thumb to reach a long-time coming climax.

Babette says, "I can't help thinking of all those cocks on the beach getting hard just for me. I bet two would be better than one." I jiggle my tongue still inside her butthole. "You're doing a real good job on my ass, lover." She slides the dildo out of her pussy and slides it up over her anus pushing my tongue aside. "Did you ever get to fuck my ass before?" she teases. Continuing quickly, "No you didn't did you. Imagine if you had licked my ass like that before you could have had it." She nudges my tongue out of the way as the head of the dildo enters inside her wet puckered hole. "Oh that's it, yes," she moans, "that's so much better."

Babette squirms to put the end of the dildo deeper, inch by inch into her welcoming hole. "God, how I've missed that feeling," she cries out. With a few more loud moans, she now has the dildo buried

deep in her ass.

With me holding it there, Babette again reaches for the nightstand. I can't see what she is doing right away. Then, leaving the dildo in her ass, she lowers herself down beside me, grabbing a couple of pillows to raise her ass so I can see her exposed holes. She now shows me another dildo saying this one looks bigger doesn't it. Babette slides it across her pussy lips as she had done with the other one. "It felt so big the other night, but that was without the other one." she says.

"Fuck! Babette." I blurt out. "What?" she says. "You look too hot, show me how you take it." She spreads her pussy lips and slides the big head across them and tries to slide it in. "It's so big, lover!" Babette says. She's now rubbing it forcibly across her labia. Babette finally gets the first half inch inside before it slips out. Trying again she takes another half inch again, and then more.

"Tell me to fuck it." Babette says. "Fuck that fucking big thing." I say back to her. "Take it in your hot, wet pussy, like we're on the beach."

Babette says, "Tell me to take the biggest cocks." "I need to cum for you." I tell her. Babette tells me to jerk off over her so I stand over her looking down at her taking those two big dildos. "Fuck those big cocks, baby. Let them fuck your ass and pussy hard." I insist. Babette is using both hands to fuck her ass and pussy with the two big dildos.

My cock is ready to burst as Babette finished

talking. Shooting a huge load of cum over her entire body. Babette's now moaning so loudly I am sure that the whole street could hear her climax this time. The dildos now slide slowly out of her ass and pussy, leaving them gape. She asks if I liked what I just watched. "Hell yes!!!" I exclaim.

Babette continues, "Baby, you know I love you, but I need to let you know something. I had a boyfriend at college who I cheated on.

He was just a boyfriend, but I cheated on him with another guy. It felt so dirty the cheating, so I got really slutty with the guy I was cheating with. I'd always have a clean shaven pussy for him. I had never even considered cheating, let alone shaving my pussy. And he was the first one to fuck my ass. He licked it for two weeks before I let him do it, then he told his friends about me and well, that was my first time with a few guys."

Strange, but her confession made me wonder, but it made me even hornier. I slide over closer to her and grab the bigger dildo and start to slide it into her pussy again. "Tonight was so good, baby, I want to eat your pussy, your ass, and I want to watch you take those two dildos again." I said.

"I want you as well, honey. If you want to make that happen again, I need big dildos and your cock. Maybe we can make it a threeway?" We laugh and she comes down on to bed to cuddle.

Two nights later, I'm fucking her with my cock and the dildos. This has added a new twist to our lovelife and we both like it. Maybe we'll add a third.

*Strange, but her confession made me wonder, but it made me even hornier. I slide over closer to her and grab the bigger dildo and start to slide it into her pussy again.*
